

# NORA

This very original beer has a golden deep color (or, more technically speaking, amber with copper hues) and a slight hazy appearance, while the head is fine and persistent. It release a kaleidoscope of scents that blend into one, pleasant bouquet of fruity, resinous and woody notes, with a subtle touch of incense: a

surprise each time the glass is brought to the nose.

The taste of cereals stands out and anticipates notes of apricot, hazelnut and honey. An explosion of tastes brought together by the freshness of ginger and slight hints of citrus fruits, before finishing with notes of spices and malt.
