

ROCK'N'ROLL - MK KARMA CLIMA

Rock'n'Roll Karma Clima has a deep yellow, slightly hazy color and a delicate white head. The scents present the distinctive characteristics of this special edition with its brand new recipe: fresh pepper and hints of grains blend perfectly with a touch of yellow-flesh fruit.

The sip echoes the same aromas with a satisfying taste of grains and a touch of freshness that comes from the pepper, complemented by the aromatic bitterness of the hops and a pleasant touch of ripe melon, a distinctive feature of the Baladin yeast.
