

TEKU SPIRITS

The birth of Beermouth stimulated the idea for a glass that, following in the footsteps of the success of Teku®, would be more specifically designed for spirits.

This is the idea behind Teku Spirits, which replicates the size of the smaller version of the famous beer glass, without the stem.

The shape concentrates the scents and amplifies their perception.

CAPACITY: 20 cl; 6.8 imp.fl.oz.; 6.6 US fl.oz.; 4.00 cl Calibratability

SIZE: Ø 82mm; mmH, 67 mm
