

MAGIKA

A beer with a nice red gold color. It is characterized by the complex and intense aromas of new generation European hops, which give it bold and citrusy notes.

When sipped, it releases all its power. At first, the sweetness of the malt fills the mouth, but is immediately followed by bitter notes which develop on a strong body and in a crescendo of intensity and warmth that comes from the alcohol.

Ingrédients

Water, **barley malt**, hops, yeast.
