

NAZIONALE LUPPOLO FRESCO 2020

A bright yellow beer with a fine and persistent white head.

The light fruity scent, accompanied by herbaceous notes and cereals nuances, makes this version even fresher than the original.

When sipped, the use of 3 varieties of fresh hop flowers from our Piedmontese fields in Italy enriches the aromatic bouquet. At first the fruity flavours blends with the distinctive, fresh and pleasant herbaceous and bitter note, then complemented by a delicate aftertaste that brings out all the ingredients and, by contrast, makes the taste of the barley malt stand out even more. Despite being less dry than the original Nazionale, it is still amazingly fresh.

Only 3,000 cans of Nazionale fresh hops, 2020 edition - will be produced to allow a quick consumption, that will let you enjoy the beer in all its freshness.
